A SMILE

GOD HAS BLESSED AMERICA

If we could shrink the earth's population to a village of precisely 100 people, with all the existing human ratios remaining the same, it would look something like the following. There would be:

57 Asians

21 Europeans

14 from the Western Hemisphere, both north and south

8 would be Africans

52 would be female

48 would be male

70 would be non-white

30 would be white

70 would be non-Christian

30 would be Christian

89 would be heterosexual

11 would be homosexual

6 people would possess 59% of the entire world's wealth and all 6 would be from the United States.

80 would live in substandard housing

70 would be unable to read

50 would suffer from malnutrition

(ONE)1 (yes, only 1) would have a college education;

(ONE)1 (yes, only 1) would own a computer.

And, therefore . . . If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep, you are richer than 75% of this world. If you have money in the bank, in your wallet, and spare change in a dish someplace, you are among the top 8% of the world's wealthy. If you can attend a church meeting without fear of harassment, arrest, torture, or death, you are more blessed than three billion people in the world. If you hold up your head with a smile on your face and are truly thankful, you are blessed because the majority can, but most do not. If you can read this message, you are more blessed than over two billion people in the world who cannot read at all. As you read this and are reminded how life is in the rest of the world, remember just how blessed you really are!

HOLLY FINKEL

A sweet grandmother telephoned Bay Medical Center. She timidly asked, "Is it possible to speak to someone who can tell me how a patient is doing?"

The operator said, "I'll be glad to help, Dear. What's the name and room number?"

The grandmother in her weak tremulous voice said, "Holly Finkel, room 302."

The Operator replied, "Let me check. Oh, good news. Her record says that Holly is doing very well. Her blood pressure is fine; her blood work just came back as normal and her physician, Dr. Cohen, has scheduled her to be discharged Tuesday."

The Grandmother said, "Thank you. That's wonderful! I was so worried! God bless you for the good news."

The operator replied, "You're more than welcome. Is Holly your daughter?"

The Grandmother said, "No, I'm Holly Finkel in 302. No one tells me squat."

We are very excited about our new web site. You have asked for one site where you can search all the listings in Bay, Walton and surrounding Counties using the same parameters that the Real Estate Agents use in searching for properties. This site uses direct IDX feeds from the MLS systems and is updated every 15 minutes so you don't waste your time dealing with outdated information. Please go to JimFreeRealty.com and give it a try.

A SMILE

Ivanette Free

850-230-1216

A smile costs nothing, but gives much.

It enriches those who receive, without making poorer those who give.

It takes a moment, but the memory of it sometimes lasts forever.

None is so rich or mighty that he can get along without it, and none is so poor, but that he can be made rich by it.

A smile creates happiness in the home, fosters good will in business, and is the countersign of friendship.

It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and it is nature's best antidote for trouble.

Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone, until it is given away.

Some people are too tired to give you a smile;

Give them one of yours, as none needs a smile so much as he who has no more to give.
