

**WELL@UHA CELEBRATES WOMEN IN MEDICINE MONTH:  
Inspirational Women at UHA**

**Maki Matsumura, NP  
Alliance Medical Group (San Pablo & Pinole)**

I would like to nominate our nurse practitioner, Maki Matsumura. She joined us at UHA Alliance in 2016, and has become a valued, respected and well loved member of our team. Patients absolutely love her!

She has an enormous amount of compassion for our patients, and has the ability to really gain trust and respect from our patients. They often ask if she can be their permanent provider. We couldn't ask for a bigger team player. She will do anything to help out where ever is needed, either with other providers, or even with the medical assistants.

At UHA Alliance, we are proud to have her as our co-worker and friend.

-Laurie Brisbin  
Medical Assistant II  
Alliance Medical Group
