

**WELL@UHA CELEBRATES WOMEN IN MEDICINE MONTH:
Inspirational Women at UHA**

**Leslie Tim, MD
Internal Medicine
Associated Internal Medicine**

I would like to nominate Dr. Leslie Tim who has been a member of AIM for over 20 years. She was the first female member of the group and was a trailblazer, paving the way for the 17 present female providers in our group. She is a fantastic internist with off-the-chart patient satisfaction scores and over 90% quality scores. She takes minutes at our AIM monthly provider meetings, constantly tries to improve workflows in the office, and participate in wellness activities. She is the consummate clinician and professional.

Thank you for considering her,
Dean Nickles, MD

Dr. Tim gives herself 150% to everything she does. Whether through participating in a UHA initiative or helping a colleague, Leslie consistently goes the extra mile with a caring and thoughtful demeanor. She's a lifelong learner and puts in the effort to grow and improve. This is all in addition to providing excellent patient-focused care and being a highly skilled internist. Leslie is a role model for women in medicine and I would like to recognize her.
