

## Advanced Illinois Victim Assistance Academy

The Illinois Attorney General's Office is pleased to offer an Advanced Illinois Victim Assistance Academy (IVAA) webinar training via Zoom on best practices for working with victims of stalking and human trafficking.

This Advanced IVAA Training is for crime victim advocates, community violence staff, victim/witness personnel with five or more years of experience working in victim services or those who have previously attended a basic Illinois Victim Assistance Academy.

The Office of the Illinois Attorney General reserves the right to select participants for the training based upon specific selection criteria. To maximize the number of agencies and geographical areas represented at the training, the Attorney General's Office may limit the number of attendees that an agency may send to two per an agency. Written communication detailing acceptance or non-acceptance will be sent via email to all applicants.
