

Sponsor a Month in the Agency Marketplace

\$2,500 Monthly Sponsorship Opportunity

Your **\$2,500** monthly sponsorship helps keep the Foodbank's Agency Marketplace stocked with food and household products that partner agencies can access at no cost, including:

Fresh produce

Lean proteins

Pantry staples

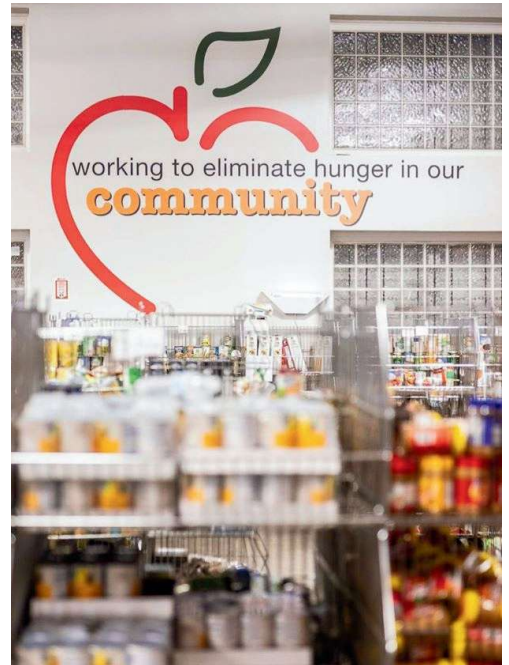

Household
essentials

Hygiene and
baby products

Why It Matters

The Foodbank works with a network of more than **230** independent partner agencies across the region, including food pantries, community kitchens, and emergency shelters. Together, these organizations distribute more than **76%** of all food provided by the Foodbank.

Because donated food availability changes from week to week, sponsorship support provides a more stable and reliable source of products to share with neighbors across the region.

Inside the Agency Marketplace

The Agency Marketplace functions like a small grocery store where partner agencies select additional food and household items based on the needs of the neighbors they serve, helping them make the most of limited resources.
