## Hatgal Baptist

We held our annual church camp a little later in than normal because of Covid-19. Not everyone was able to come, but we still had a pretty good turn out! This was Miigaa's first time to lead the church camp, and he did a great job. We focused on group Bible studies, and got to baptize 4 people!

The church has been able to meet corporately since the beginning of August. Watching everyone get back together after 6 months of quarantine was real sweet. Genuine, personal fellowship is so vital and encouraging to everyone! Please continue to pray for the church as

they learn to grow and serve together with their new shepherd, Miigaa.

## New Village

After a month of traveling back and forth to Ih Uul, we were finally able to purchase some property for another coffee shop and for our family residence. Needless to say, we have gotten to spend a lot of time with the local government officials, and got to meet some real sweet families. Please pray for us as we move. We have a lot of building and renovation work to do, and hope to be able to move sometime early spring, next year!

## English classes

Silas and Riley Thompson started leading some english lessons at the coffee shop. The lessons are geared towards adults, and they are doing a great job leading the lessons. They meet twice a week, and also host a game night for the students once a week at their house. It's been really encouraging to see people from our church reaching out to their neighbors at the lessons. We're praying that God will use these lessons to point them to Christ and connect them with the church! Please pray with us that the students will become followers of Christ!
