## **-Engaging Young People During a Pandemic!-**

Doing camps in the midst of a pandemic can be challenging and is not for the lighthearted! Our Philippine team has found ways to get facilities approved by government officials, work out safe transportation for the campers, and follow all protocols during the event. God has not only answered our prayers but blessed our efforts to reach lost young people with the Gospel. Bringing someone hope during these trying times is incredibly fulfilling! We have been able to share the Gospel with 2,229

young people through our Mobile Evangelistic Camps with 1,078 making salvation decisions. Already, we have signed up 250 of the young people for discipleship! You have a part in every one of these gains for the Kingdom of God!

## **-Former Street Thief Preaches to Lost Boys!**

JB Sedol was invited to camp several years ago while he was plying his pickpocket and purse snatching trade on the streets of Manila. We did not know JB's background when he came to camp. After stealing a few cell phones at camp, JB thought he would return and make some more money. But God got hold of JB's heart during the invitation and he went forward to be saved. JB left his life of crime, joined a small group, began discipleship, eventually enrolled in Baptist Bible College Asia, and is now preaching! What a journey! As I watched JB preach, I noticed the crowd as they listened. That night, the crowd had many lost young men who had chosen alternative lifestyles. After hearing the Gospel from a former street thief, two of the 27 lost young men responded to the Gospel and prayed for salvation. What a night!

Lives are being radically changed!

## **-Camp Need...Please Help**

Due to the pandemic, we have to provide special transportation for the campers. The cost to get a lost young person to camp is \$8.00. We are bringing 300 young people to our Mobile Evangelistic Camp each time. This month, we will host 8 camps. Would you pray about helping a lost young person in Metro Manila hear the Gospel? Choose a project below and make a difference for eternity!
