## Siyum: TaNaKh

The forty-nine days from Pesach to Shavuot mark the journey of our ancestors from Egypt to Sinai and a covenanted relationship with God. The forty-nine day count ends with our ancestors ready to hear God's word and receive the Ten Commandments. More than simply counting the days, is there more that we can do? This year, the answer is 'yes'!

You can join the **more than 40 Beth David members** who have already pledged to read passages from TaNaKh. You can read any book(s) you choose (even if someone else also chooses the same one), and you may read it in any language. The only requirement is that you complete your reading by Shavuot (June 8). The goal is that every book of the TaNaKh will be read by members of the congregation.

TaNaKh is derived from the names of the three sections of our "Bible" - "**T**" stands for Torah, the Five Books of Moses; "**N**" stands for Neviim, the books of the prophets; "**K**" stands for Ketuvim, the associated Biblical writings.

If you have not yet signed up to read and wish to participate, please be in touch with Rabbi Adler. He will help you select a passage that would be meaningful for you; and if you do not own a copy of TaNaKh, Rabbi Adler will provide you with a print-out of your selected reading. Remember, **a congregation that reads together grows together.**

Our Kiddush on the second day of Yom Tov (Monday, June 10) will be a "siyum" in honor of the accomplished goal of the congregation reading the TaNaKh, and to acknowledge every person (any age) who participated in the campaign.

**"Chazak, Chazak, v'Nitchazek"**
