Getting Your Announcement Made ... Any member with a request for a specific announcement to be shared at the conclusion of a Shabbat service is asked and encouraged to submit a specific text to the shul office by 9:00am on Thursday morning. All announcements will be prepared and left on the sanctuary pulpit, ready for whoever will be making that week's Shabbat announcements.

Security Update ... The door at the top of the steps leading to Beth David's classrooms has been retrofitted with a new latching device intended to provide an added layer of safety for our children on Shabbat and Yom Tov mornings. The same door provides access to the lounge upstairs for nursing mothers. A code is now required to open the door. The code is on cards that every parent can get from any member of our Security Team. Please get a card, if you need one, and keep it in a safe place.
