### Share your feedback in small group sessions ...

#### ACCESS TO SERVICES

##### **Individual/Family:**

What additional services have been accessed following the transition from contracted to fee for service? What are the barriers in accessing services following the transition from contracted to fee for service?

**Provider:** How have providers expanded service options following the transition from contracted to fee for service? What barriers have been encountered in continuing to provide services following the transition from contracted to fee for service?

#### CONTINUITY OF SERVICES

##### **Individual/Family:**

Were you able to maintain the services you had been receiving after the transition to fee for service? If not, why not?

**Provider:** Do you continue to provide services you previously offered under contract? If not, why not?

#### QUALITY OF SERVICES

##### **Individual/Family:**

How has quality of services being received changed since the transition from contracted to fee for service?

**Provider:** How has quality of services been impacted by the transition from contracted to fee for service?
