

# Free IEP Reviews with the Attorneys of Hinkle, Prior & Fischer

Navigating through the Individualized Education Program (IEP) process can seem overwhelming, but The Arc of New Jersey is here to help. We have partnered with Hinkle, Prior & Fischer to offer free IEP reviews for families who have questions or concerns about their child's IEP.

**Space is limited and registration is REQUIRED to attend.** Each family will receive an individual 20-minute review with an attorney. View the dates and locations below:
