TRAINING TIMES

Training resources for people with intellectual and developmental disabilities and their families

The Arc of New Jersey extends its sincere thanks to The New Jersey Council on Developmental Disabilities for the grant funding to create this helpful databank of resources for individuals with intellectual and developmental disabilities, their families and professionals in the field.

The DD Training Resources website provides a wide range of information about trainings and support resources for individuals with intellectual and developmental disabilities, their families and professionals throughout the State of New Jersey, and beyond.

DD Training Resources includes information and archived resources originating from different organizations both locally and nationally.
