Homecoming approaches

Spirit Week

Spirit Week has brought along many smiles, lots of excitement, and more energy to our campus. This annual tradition is making a home in the Centurion culture.

The conclusion of the week comes together at Friday's pep rally: we will support our Lady Centurions as they get ready for their homecoming games and the best dressed of Spirit Week will compete for a grand prize.

All students are encouraged to attend the games. There will be concessions, music and more! It's a great opportunity to meet new friends while supporting our community. Those dressed in spirit wear get admission to the games for only \$1!
