Diocese Recognizes, Aids Trinity Refugee Resettlement

We are delighted to announce that Trinity's Good Neighbor Team has been awarded the Warren Dunning Memorial Social Service Grant from the Diocese of Northern California to support our work with immigrants and refugees. This is a three-year grant in the amount of \$12,000. The first check is in the hands of Shireen Miles and Dean Matthew Woodward, above.

Trinity's Good Neighbor Team is a newly-formed group of congregants who will be collaborating to provide a warm welcome to newcomers in partnership with staff of World Relief, one of Sacramento's refugee resettlement agencies. It is an expansion of the work our parish has been doing informally. Each person on the team brings different interests and different strengths.

One of our goals is to partner with other parishes in adjacent deaneries. If you are interested in learning more or would like to consider becoming involved, please contact **Shireen Miles**.

You Too Can Help a Refugee Family

The next time you go shopping, please consider adding another item or two to your cart to help the Syrian refugee family that our congregation is helping. Things are tight for all newcomers and just a little help will make a big difference for these folks. Useful household items are: diapers (size 6 months), baby wipes, baby shampoo, toilet paper/paper towels/tissues, hand soap, dishwashing liquid, chlorine, bathroom spray, laundry soap. To donate, just bring the items to church.
