The World's First Handheld CORDLESS Electrostatic Sprayer

DESIGNED FOR MOBILITY

Use in airports, ambulances, athletic facilities, bathrooms, correctional facilities, daycare centers, gyms, health clubs, hotels, institutional kitchens, laundry rooms, offices and schools

Motorcoach Services Group, is partnering with Brown Specialty Parts to sell Victory Electrostatic Sprayers. The global pandemic has made electrostatic sprayers hard to find. The handheld device shaped like a gun shoots a spray of potent disinfectant that can quickly sanitize enclosed spaces, eliminating many communicable diseases, including coronaviruses.
