

**We augment your  
recruiting staff  
*with as much or as  
little help as you need.***

**Impact Recruiting** helps companies of all sizes. Whether we're acting as your temporary or permanent recruiting department, helping you through a time of growth, or just helping you catch up, we're here to do what you need done, when you need us, for as long as you need us.

### **How It Works**

Your leads go directly to your designated recruiter via email or your Applicant Tracking System. They respond immediately using our signature conversational recruiting techniques, tracking and documenting all leads and working the qualified leads as far as you'd like before passing them on to you.

Your designated recruiter is an extension of your department who can do as much or as little as you need.

We'll pre-qualify applicants and pass them to your staff, or we'll complete the entire pre-qualification process, only passing applicants along for final approval and orientation setup.

### **What it Costs - And How Much You Can Save**

Impact Recruiting helps you get non-productive assets back on the road. Being a member of the GNJMA, you pay a flat monthly fee of \$2,550.00 with no additional fees and no contract. Use Impact Recruiting as long as you need, then put our services on hold until you need us again.

Impact helped us fill 26 empty trucks, grow our fleet, and develop a waiting list. We didn't have a single complaint from the drivers they brought on board.
