

## Colorado Arborists and Lawn Care Professionals Board of Directors Application

CALCP provides educational opportunities, support for research, and legislative advocacy to enhance the professionalism of Colorado's tree and lawn care industry. Our vision is to unite Colorado's green industry to make our state a better and safer place to live; a state where every tree and lawn care professional is properly trained, licensed and certified.

Thank you for considering serving on the CALCP Board of Directors. A CALCP Board term is three years. If you are chosen to fill a vacant seat on the Board, your term would end at the time of the vacant seat you are filling is scheduled to end. CALCP Directors are asked to

- attend each of the CALCP Board meetings. There are six per year and occasionally we have need for an additional meeting.
- serve on a committee. Our committees include: Membership, Conference and Day of Service Committee.
- attend and help out with the CALCP Day of Service, the Member Appreciation Event and the Spring Training Conference.
- help grow and retain membership in CALCP
