**Saturday, September 21, 2024**  
**10 AM to 2 PM**

**Courthouse Plaza and Living Alley and Your Business Sidewalk**

Our theme this year is **LIFE IS A JUNGLE**. Chalk your favorite jungle scene and have a little fun covering Greenfield with all sorts of jungle creatures.

The competition will take place on the **Courthouse Plaza**.

Chalk will be provided or you may bring your own. We also will have a dedicated space for the High School Art Clubs at **The Living Alley**. They are invited to chalk on the center drive of the Wooden Bear parking lot. This will allow their artwork high visibility for days to come without cars parking on their designs.

Also, any municipal business may compete for great prizes by chalking the sidewalk in front of their businesses. Just register!
