

Please Welcome Our New Youth Director

Lighthouse welcomes Erica Brooks as our new Youth Director! Erica will be filling the roles of both Pastor Kelly and Chloe as they move on to new ventures - we wish them well and thank them for their service to Lighthouse!

Erica currently serves as Youth Pastor at Vineyard Church in Grafton and will be splitting her time between these two programs, as well as coordinating some joint youth activities. Erica is excited to walk alongside our youth, helping them grow in their relationships with God and with each other.

Erica and her dog, Banjo, live in Cedarburg and enjoy spending lots of time outdoors. You can give her some tips on how to survive a Wisconsin winter - she is a recent transplant from the South!
