  - Had a great Senior Staff retreat that was focused on building a foundation of trust and unity
  - Working with the Executive Director to work on a reorganization
  - Continue to look for opportunities to have cross ministry support
  - The PTO did a beautiful job of appreciating the teachers during Teacher appreciation week
2. Develop and implement an effective communication strategy that is leveraged internally and externally at every level of the organization.
  - Working on a social media strategy focusing specifically on Facebook use with major action to come over the sermon

**3. Evaluate readiness and plan for growth with the ministry**

- Continue to look at enrollment numbers and creative ways to meet the demand
- Looking at the entirety of family ministry to create an intentional discipleship path
- Completed the initial meetings on the AV Project and working to fine tune the project design

**4. Form our distinct worship identity at Our Savior that embraces our heritage and positions us to do ministry in the Bay Area today that is characterized by excellence, relevance, Christ-centeredness, faithfulness to God's Word, and is accessible to all.**

- Targeted to begin work on this area in Summer of 2019

**5. Develop a local and global outreach strategy that is kingdom focused and is rooted in empowering and equipping every disciple of Jesus for their unique calling.**

- Began on Easter a sermon series that focuses on the Mission of God and how our mission (personally) flows from that
- Created a devotional book to accompany the mission sermon series
- Compiled a list of areas where Our Savior and people from Our Savior are currently serving
- Working to clarify involvement with City Serve and strengthen that partnership as they walk through a leadership transition on their part

**6. Create a unified and shared mission, vision, and values for Our Savior Lutheran Ministries.**
