

# 2018 Flu Vaccine Clinics

Anyone may receive their annual flu vaccine at any of the listed Prevea clinics. You do not need to go to the Prevea Health Center where your primary care provider is located. Appointments are recommended.

General clinic hours are from 8 a.m. – 4:30 p.m. on weekdays. Appointments can be made by contacting your provider's office or by calling (888) 277-3832. We will bill your insurance company; however, please check your insurance coverage before your appointment.
