9:15am to 12:15pm

Perry Elementary

Snack provided

*Eligibility is based on family size and gross monthly income guidelines. Children with an IEP may exceed income ceilings

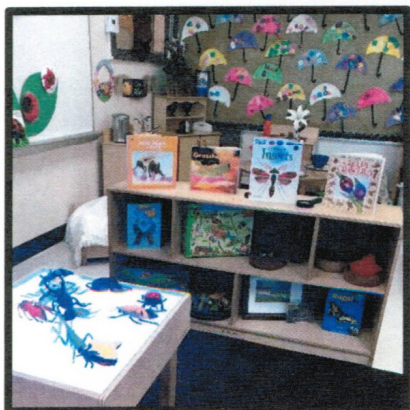

HBCSD Preschool Academy Programs are designed for ambulatory and independently toilet trained 3 - 5 year old children. Our mission is to invite children into the world of learning using the California State Early Learning Foundations as a catalyst for all areas – social, emotional, physical and cognitive. Our goal is to nurture and enrich a child's total development and provided a solid literacy and mathematical foundation to create the building blocks for lifelong learning.

We believe children:

have enormous potential and curiosity

benefit from intentional, age-appropriate instruction

deserve a challenging, enriching learning environment

The Preschool Academy Programs offer an engaging learning environment designed to support the development of the “whole child”. Emergent curriculum adapts to the interests of the children and incorporates them as they plan, think, experiment and expand their ideas. Our child centered learning environments encourage exploration in science, mathematics, art, music and literacy. HBCSD Preschool Academy is the proud recipient of the *2018 Outstanding Early Childhood Education Program* from the Orange County Association for the Education of Young Children (OCAEYC).
