

## **MiTek's New Atlanta, GA, Warehouse and Distribution Facility Offers a Growing Customer Base Rapid Delivery of Building Products Within a 500-Mile Radius**

MiTek has opened a new warehouse and distribution facility in Atlanta GA. This new facility is the third warehouse opened by MiTek in the past 13 months, and it joins other strategically placed manufacturing, warehousing, and distribution facilities already located in New Jersey, Florida, Indianapolis, Minnesota, Houston, Phoenix, and California.

The new Atlanta facility enables rapid distribution of MiTek building products to customers within a 500-mile radius. Fully functional on February 1, 2017, the new facility offers products that include USP Structural Connectors, USP Epoxy and fasteners products, as well as MiTek truss connector plates. The facility will primarily serve MiTek's two-step customers and support MiTek's rapidly expanding sales network.

The new warehouse offers 45,600 sq. ft. of space, of which 3,500 sq. ft. will be dedicated to offices, training, and customer support. The address of the new facility is 4380 International Parkway, Atlanta, GA 30354. The warehouse has immediate access to I-75, I-285, I-85, and is one mile from the Hartsfield-Jackson Atlanta International Airport.

*MiTek's new 45,600 Sq. Ft. Atlanta facility serves a 500-mile radius with rapid delivery of a wide range of MiTek*
