

# PROJECT SHARE STUFFED ANIMAL DRIVE

For the first time in two years, SHARE the Project, Inc., with the help of the Hastings High School students, will be hosting an annual Thanksgiving Dinner for the homeless. Many of our guests are children and part of our night is providing each child with a new or gently used stuffed animal.

Will you and your child find a new or "nearly new and gently used" clean stuffed animal to donate to this most worthy event?

Please drop off donations at the  
James Harmon Community Center  
44 Main Street  
Hastings-On-Hudson, N.Y. 10706

**DEADLINE: NOVEMBER 18TH**
