

RiverArts is thrilled to bring Ballet Hispánico to the Music Hall to launch our 60th season. This will be a very special performance to commemorate National Hispanic Heritage Month and will give our community members a unique opportunity to see this internationally renowned dance company perform in the heart of the Rivertowns!

Executive Director, Josh Suniewick together with Artistic Director for Dance, Maxine Sherman, are extending an offer to students - a \$10 discount off the Supporter tickets (retail value of \$25). Please use the discount code: BH_10DISC when purchasing Supporter tickets.

Premier- and Patron-level tickets are available for \$100 and \$55 respectively. Both these ticket levels are premium seats; the Premier ticket also includes a salsa dance after party.

Please click [HERE](#) to purchase tickets through the Tarrytown Music Hall box office.

Thanks for your support and we look forward to seeing you at the concert!
