Good Afternoon Kindergarten Families,

Welcome to Hillside! My name is Juliann Snyder. I will be your child's School Counselor for the next five years. Please click [here](#) for an outline of our lesson for the month. I was able to meet all Kindergarten students this week to introduce myself. I wanted to apologize for the poor internet connection with the classes I worked with today. Please click [here](#) for a copy of the story I read during the lesson. Many of your children were asking for a copy of it. For more information on the school counseling program, please visit my website [here](#). Have a wonderful weekend, hopefully, screen-free!

Warmest regards,

*Juliann Snyder*

School Counselor
