Children's book author and Hastings dad, Bob McKinnon will be visiting Hillside Elementary this month to read his New York Times Bestselling book, *Three Little Engines!* The book is a modern retelling of the classic *Little Engine that Could* story. While the original asked children to believe in themselves ("I think I can"), *Three Little Engines* also asks us all to believe in AND help each other ("I think we can.")

You can learn more about Bob and his work at www.movingupusa.com.
