

Supporting Food Relief and Small Business

Your support is needed now, more than ever. Food relief organizations are experiencing sustained increase in need due to COVID. Struggling businesses mean jobs lost and more individuals joining those lines.

For the past two months, the Rivertowns Chamber of Commerce partnered with On The Line to administer the Westchester Community Table Partnership Grant. On The Line focuses on utilizing restaurants to provide healthy and nutritious meals during the pandemic. Grant funds provided meals and vouchers to individuals in need in the rivertowns. The grant period ends on December 15th, but we can extend the program with independent fundraising. Contribute to match the grant award by clicking the donate button at www.on-the-line.org. Also consider making a donation to our distribution partners, we couldn't do this work without them:

Dobbs Ferry Food Pantry

The Dobbs Ferry Food Pantry has been serving the Rivertowns since 2011 by providing food in an accessible area for all citizens in need. The best way to donate is to visit www.dobbsferrypantry.org and donate monetarily online. Food donations can be left at the church in the vestibule of the sanctuary or in the kitchen, during business hours at the office (M-Th from 9am to noon).
