

# FELIZ DIA DE LOS MUERTOS

Day of the Dead (Dia De Los Muertos) is a two day holiday that reunites the living and dead. Although widely celebrated in Mexico, it is celebrated by people all over the world.

Families create ofrendas (Offerings) to honor their departed family members that have passed. Many people see death as a sad event but those who celebrate Day of the Dead view it as a welcomed part of life. That is why you will see brightly colored skeletons and skulls everywhere during the holiday.
