

Hastings Public Library, in collaboration with the Hastings PTSA, will be hosting a "Grab and Go" of donated copies of the FMS Summer Reading List titles.

Please consider donating any of these books for use by FMS students. Although the books are available through all libraries of the Westchester Library System, there is often a long wait for an available copy.

Drop-off your used books at the Hastings High School entrance or the Hastings Public Library starting **Monday, July 12th**. Boxes will be clearly marked "Grab and Go."

Students: Please wait until Friday, July 16th to check the box at the library and pick up a copy or copies of the books you would like to read.
