The Three Little Engines

Saturday, July 10th at 10:00 a.m. in Fulton Park (next to the Library)

“I THINK WE CAN, I THINK WE CAN, I THINK WE CAN”

Hastings resident, Bob McKinnon, will read this modern retelling of the beloved *The Little Engine That Could* and ask young readers: “How does your journey differ from others? And what can we do to lend a helping hand to those on different tracks of life?” At its heart, *Three Little Engines* is a thank you letter to all the parents, teachers, role models and even strangers, who help clear the storm or pull the tree trunk from your track.

Please note: this reading will be filmed by CBS News Sunday Morning with Jane Pauley for an upcoming story on *The Three Little Engines* and Bob McKinnon.
