### Breaking News about the Field Hockey Sectionals:

Due to the Nor'easter that we are currently experiencing and the State of Emergency that has been declared for our region, in consultation with the Field Hockey Sport Chairs, we have made the decision to **postpone** the Section 1 Field Hockey Tournament today.

As a result of this decision, the following has been determined:

- **All** quarterfinal games will be moved to tomorrow, **Wednesday, October 27<sup>th</sup>**.

**Hastings (#7 seed) will compete against Bronxville (#2 seed) at Bronxville High School at 3:30pm on Wednesday, October 27, 2021 in the 2021 Section 1 Field Hockey Class C Sectional Tournament.**

Please put on your finest green and yellow Hastings attire and try to get to Bronxville to show your support. I know this probably doesn't need to be said but please remember Sportsmanship is an expectation so please let the players play; let the coaches coach; let the officials officiate; and let the spectators be positive! Let's show everyone how classy Hastings is.

**Let's go Yellowjackets!**
