Dear Hillside Families,

As part of our School Safety Plan, we are required to conduct yearly safety drills which includes four lockdown drills. Our first lockdown drill at Hillside Elementary will be held on Tuesday, October 27th at 2:00 pm. Due to the need for social distancing, this drill will be modified to allow students to remain in their seats instead of gathering in a part of the classroom that is designated in a real lockdown. During the drill, the students will be reminded of what they would do in the case of a true lockdown in the building. Students who are working remotely will hear the announcement through the school public announcement system. We wanted to notify the families in advance of this drill so that both you and your children are not surprised.

If you have any questions about our mandatory school safety drills, please feel free to contact us.

Sincerely,

Amy Cazes
