

**2020 - 2021**

**HILLSIDE ELEMENTARY SCHOOL  
FARRAGUT MIDDLE SCHOOL  
HASTINGS HIGH SCHOOL**

The PTSA is inviting you to show your Hillside School Spirit! As we get ready for a new school year, we know things may *look* different, but we want to show how much our school community will still *feel* connected.

Our school theme this year is  
**"Every bird in the Hillside sky helps make the song beautiful!"**

So, the PTSA invites you to decorate your home/yard with colorful birds. We invite each student to create something - a picture, a sculpture, etc. – in their grade's assigned color to place in a street facing window, or in their front yard.

Put your own personal spin on your creations.  
Go BIG or go small, we want to see them all!

You can find each grade's assigned bird color below.

Have your birds soaring by September 1st and keep them up until the start of school (or later!). Families can then travel around town to see our Hillside flock and get excited to connect with friends in their school and grade.

**Kindergarten - red birds**  
**First grade - orange birds**  
**Second grade - yellow birds**  
**Third grade - green birds**  
**Fourth grade - blue birds**
