

PIZZA FRIDAY: THE HOME EDITION

SUBJECT: Pizza Friday: The Home Edition - A Fundraiser the **Whole Community** can enjoy!

There are so many things our children miss about being in school all day, including having pizza together for lunch on Fridays at Hillside. Our local pizzerias miss Pizza Fridays too, as Pizza Fridays generated a steady stream of business each school year. And our PTSA misses Pizza Fridays, because Pizza Fridays generated an average of \$8,000 in funds each year to provide enrichment and support to our schools.

While we can't serve pizza at school these days, we can definitely all enjoy pizza with our families at home. The PTSA has partnered with Slices and Pizza Grill to bring you *Pizza Friday: The Home Edition*. And the best part about this new program is that you can actually eat the pizza anytime you want...and even with toppings!

Here's how it works. You purchase four discounted pizza vouchers - \$60 (or \$15 per pie) for plain pies, \$84 (or \$21 per pie) for pies with two toppings - and choose whether you'd like to get pizza from Slices or Pizza Grill. We'll assign you four voucher numbers, and you can use those vouchers anytime you'd like between November and January. Simply call the pizzeria, place your order, and provide your name and voucher number.

These will make great gifts too! Send one to your favorite teacher or neighbor!

Sign up [here](#)!

Questions? Check out the attached flyer and/or email Katie Appel Duda at kjappel@gmail.com.

PIZZA FRIDAY: THE HOME EDITION

November 13 - January 31

Deadline to Register: November 6

What is Pizza Friday when we don't have lunch at school?

Pizza Friday: The Home Edition is a program designed for our whole community, to support our local pizzerias, while also raising funds for the Hastings PTSA. Purchase discounted vouchers, which can be redeemed anytime between November 13th and January 31st by placing an order with the pizzeria. Voucher numbers will be assigned via email once the registration has closed, and prior to November 13th.

How do I sign-up and pay?

The PTSA accepts registration and payment (\$60 for four vouchers for plain pies, \$84 for four vouchers for pies with two toppings) online using CheddarUp. It's simple and secure, and you are able to register and pay securely via credit card or e-Check. Sign-up at <https://pizza-friday-the-home-edition.cheddarup.com>.

Is there a deadline to sign-up?

Yes! The deadline is Friday, November 6th. We can not accept late registrations.

How do I place an order? Can I use seamless or a similar online platform?

No. You must call the pizzeria directly to place your order and redeem vouchers. Simply call the pizzeria, place your order, and provide your name and voucher number. Vouchers can not be redeemed on online platforms.

Can I get the pizza delivered?

Absolutely, though please note that the vouchers do not cover tips and plan accordingly.

What if I don't use my vouchers by January 31st?

There are no refunds. Unused vouchers will expire after January 31st.

What if we have special requests outside of the two topping options?

If you'd like to add additional items to your order when you place it, go right ahead! The pizzeria will simply charge you for those additional items. Note that the vouchers only cover plain pizza or pizza with two toppings though, so you can not make pizza substitutions (like gluten free, for example).

What if I signed up for Pizza Grill, but now want Slices (or vice versa)?

Unfortunately we can not switch your assignment once you've made it. If you like variety, feel free to purchase two voucher packs - one from each!

What if I am not able to pay online?

If you are unable to access Cheddar Up and want to make other arrangements to purchase vouchers, please contact treasurer1@ptsahastings.org.
