For Businesses

Choose from Services:

- Accounting & Financial Training
- Marketing & Networking
- Human Resources

Eligibility:

Must be a Bucks County-based for-profit business, established within the last five years, having 50 employees or fewer. Recipients will need to provide an Employer Identification Number (EIN), W-9, and proof of business or business ownership with the application. Priority consideration for the grant will be given to Veteran-owned, Minority-owned, and Woman-owned businesses.

For Partnering Businesses

- Pair with a qualified Bucks County business to provide support in accounting and financial training, marketing and networking, or human resources.
- Bucks County WED will conduct an intake evaluation and needs assessment for eligible businesses before services begin.

Eligibility:

Must provide a narrative on why they should be selected as a partnering business. Partnering businesses must be members of a Bucks County-based Chamber of Commerce, business association, or networking group, and provide proof of a physical business address in Bucks County.
