

Leaves of Absence IN CALIFORNIA

VIRTUAL TRAINING

Workforce
Development Board
Contra Costa County

A NO-COST, VIRTUAL training open to all Employers in Contra Costa County!

Did you know California employers may need to grant up to approximately 20 types of leave, depending on their workforce size?

While pregnancy disability and family medical leave are well-known, there are many more leave laws that every employer needs to understand. Join us for an exciting session where we'll break down these laws, provide an overview of the reasonable accommodation process, and give you information you can use to stay compliant and ready to tackle any leave situation with confidence!

Get your questions answered by the CEA Human Resources Subject Matter Experts by attending and receive the full interactive experience. Brought to you by your tax dollars.

Otherwise, recordings will be sent to all registrants within 24 hours of the completion of each session, which may be viewed for up to 90 days.
