

Tech on a Tighter Budget

A FREE SEMINAR FOR NON-PROFIT EXECUTIVE DIRECTORS, OPERATIONS LEADERS & BOARD MEMBERS

Top Speed Data is hosting a free seminar to help non-profit leaders reduce technology costs, protect sensitive community data, and keep essential services running — without sacrificing capability.

NONPROFIT LEADERS WILL LEARN HOW TO:

- Find funding-friendly technology programs built for nonprofits
- Stretch grants, donations & budgets using group purchasing discounts
- Protect donor, client & program data with cost-conscious security tools

 *Bagels & coffee served*
