all John Muir Health patients and to the public

Meet Jennifer Cave-Brown, MS, RN, NP, ACNP-BC

Jennifer Cave-Brown joined John Muir Health in 2012 after receiving her master's degree in nursing and currently serves as John Muir Health's Stroke Program Coordinator for both of John Muir Health's stroke centers. Under her leadership, the Walnut Creek Medical Center achieved Comprehensive Stroke Certification from The Joint Commission. Prior to John Muir Health, she served as a Neuroscience Educator and stroke team nurse for Washington Hospital Healthcare System in Fremont.
