ANNOUNCING

**THE GEORGIA PERINATAL QUALITY COLLABORATIVE (GaPQC)
2025 ANNUAL MEETING**

*The Emory Conference Center Hotel
Atlanta, Georgia
April 24th and 25th, 2025*

Dear Madam or Sir,

We are excited to announce the 5th annual Georgia Perinatal Quality Collaborative (GaPQC) meeting. This year's theme, "*The Fourth Trimester – The Forgotten Phase*," focuses on this most critical stage for mother and baby. We expect over 150 attendees, including physicians, nurses from obstetrics and perinatal care, and patients with lived experience, to join us for this event.

Sponsors will enjoy prominent exposure, with company logos displayed on event signage and acknowledged in our classroom slideshow. Due to space limitations, only Platinum-level sponsors may have representatives present at the event. For further details and to register, please click [HERE](#). A limited number of sponsorship opportunities are available.

Your participation is essential to the continued success of our educational conference. Should you have any questions, please contact Nicole Reaves at nreaves@gaobgyn.org.

We look forward to connecting with you!

Kate Boyenga,
Executive Director
