# WE ARE THE PEOPLE

The Arc of Greater Plymouth is very excited to be offering a new adult life skills program facilitated by Kathy Dunn. Kathy Dunn is a former guidance counselor at Duxbury High School. She also serves on the DDS CAB and League of Women Voters.

The purpose of this bipartisan voter education program and interactive discussion is to raise awareness of the importance of voter participation in elections. Participants will discuss the process of voting, where and how to vote as well as be shown a mock ballot.. We will also talk about the national , state and local Republican and Democratic candidates as well as discuss ballot questions.

In the second series of this program participants will fill out a voter registration card that will be sent to their respective towns. The towns will confirm their registrations by mail and tell them which polling place they should go to. We will also go over any questions anyone may have moving forward. The last day for voter registration in MA is October 19th.
