**Matthew
Young, DDS**

Our Guest Speaker:

Dr. Matthew Young is a General Dentist and Implant Dentist who has been happily serving patients in the San Francisco area for the past ten years. Dr. Young has over fifteen years of private practice experience and expertise. He attended State University of New York Buffalo's Dental School, graduating with honors before completing a residency in general dentistry at Albert Einstein Medical Center, where he received the Resident of the Year Award. He completed a prestigious fellowship in implant surgery with the American Academy of Implant Dentistry. In 2007, he moved to San Francisco to serve people in the heart of the city at his Union Square location. Ten years later he has accomplished a lot including moving to a new state of the art facility in 2018.

Leslie Canham,
RDA, CDA

Our Guest Speaker:

Leslie Canham is a Certified and Registered Dental Assistant with over 48 years of experience in dentistry. Leslie sought to continue her career by exploring the continuing education needs of dental personnel. Her research led to OSHA compliance training for dental offices. Leslie's OSHA compliance seminars have become very popular, with encore presentations being scheduled years in advance. Leslie has added Infection Control, Dental Practice Act, HIPAA, and Accommodating Special Needs Patients to her list of outstanding seminars. Leslie is listed as a "leader in consulting" by Dentistry Today.
