Join us for a comprehensive exploration of the latest developments in periodontal care at the Periodontist Forum, tailored specifically for SJDS members! This engaging event brings together three distinguished speakers to share their expertise and insights on a range of crucial topics within the field of periodontology.

## **OUR GUEST SPEAKERS:**

**Randy Gordon, DDS**

**Mike Moreno, DDS**

**Marck Buchman, DDS**

### **Customized presentation for you:**

The speakers believe that your input is crucial in ensuring that their session addresses the specific interests of your dental office.

If you could take a few moments to share your (and your staff) thoughts on the types of topics you would find most valuable for the Perio Forum, it would greatly assist us in creating a program that resonates with the challenges and questions you face in your practice.

Please click here to submit any specific topics you would like the speakers to cover.
