

# GROW

Colour in this week's word!

Here are a couple of questions to stir up some family discussion around this week's word: Grow!

**Mary, the mother of Jesus, was visited by an angel who told her that her son would become a very important leader for everyone, forever! How do you think Mary felt after the angel told her how important her son would be?**

**What do you think Jesus was like as a child, when he was growing up?**
