Limited seats—reserve your spot!

CEU Eligible

Small pauses create space: to breathe, to reflect, to choose how we respond. In the midst of uncertainty, exhaustion, and ever-growing demands, this session invites nonprofit leaders to reclaim the power of pause.

Through applied improvisation, shared reflection, and human connection, we'll explore how to refuel in real time, say yes without depriving ourselves, and make room for what's possible next.

Will Dennis
Founder
[UnScripted Productions](#)

UnScripted Productions was founded in 2018 by Will Dennis, an applied improvisation specialist. The company's foundation and core values are reflective of the principles of improvisation. Namely: acceptance, contribution, gratitude, selflessness, collective trust, and responsible risk taking.
