Below, select either the **Montgomery County** or **Community** Cohort to access you materials

2) nINA Collaborators: Community of Practice & Learning Communities / Learning Community /
Bucks & Montgomery Counties: Racial Equity Learning Community 2

Personalized Learning Plan

This is a living document intended to help you chart your learning course as a part of the virtual learning community. Writing down your goals supports you in getting clear on what you want to accomplish. When you define your goals, you give yourself a destination accompanied by daily direction. See below for recommendations on how to chart this course.
