

#MontCoBelieves

WE HAVE TAKEN THE START BY BELIEVING PLEDGE.

This means

- We start by believing when someone tells us they have been hurt in a sexual way.
- We are safe adults if you need to talk about something you're experiencing.
- We want you to be safe.

NEED TO TALK? 888.521.0983

24-hour crisis hotline for survivors
and loved ones
Free, confidential counseling,
advocacy, and more
