The Intersection of Education and Prevention

Thursday, September 28th 2023

Green Valley Country Club, Lafayette Hill

11:30 AM - 1:30 PM

Join us for lunch and hear a panel of domestic violence experts discuss topics such as establishing healthy relationships, identifying warning signs, bystander intervention, and how education can help stop the cycle of abuse. There will also be a chance to network with community members who share the commitment to Laurel House's mission.

For tickets, sponsorship information, and additional details,
