work. Working with our partner, Bike and  
Sol, we supplied bikes, safety accessories  
and trip planning resources

**They have ridden 500+ miles!**

Bike More, Drive Less

**NEW** innovative project  
to add bike lanes to local roads,  
in partnership with  
GVF TMA and DVRPC

The Partnership TMA of Montgomery County collaborates  
with **150+** public and private sector partners to:

- Expand and Enhance transportation options
- Ease traffic congestion
- Educate and Engage our communities on issues of land use, the environment, and healthy lifestyles

We'd like to thank our members and community partners for their support.
