

Keystone Education Yields Success

Why the KEYS Program?

Because you need more than money to be successful.

KEYS is specifically designed to help Montco enrolled students who receive TANF and SNAP assistance with:

- Learning how to build healthy support systems for every part of your life.
- Partnering with a professional KEYS Program Student Success Facilitator.
- Transportation assistance (TransPass and mileage).
- Books and school supply assistance.
- Childcare assistance.
- Computer laptop loan (limited supplies).
- Community Service and Federal Work Study placement opportunities that may lead to employment.

Note: These resources are subject to availability and your active participation with KEYS program activities to ensure your continued enrollment. Not participating in workshops, meetings or time sheet submission may result in enrollment closure and TANF and/or SNAP benefits sanctions.
